The Dartmouth College Class of 1966 Newsletter

Volume 57, No. 4

April 2022

66th Night Was March 7th — Great Results!

66th Night 2022 achieved close to record attendance, in spite of (maybe even because of) the pandemic!

There were 17 separate gatherings, both virtual and in-person, and 146 attendees, including both classmates and their guests.

66th Night events were organized across the country and around the world! I wish we had tape recordings of each of these gatherings which we could make available to everyone in our class, because I know there were many “war stories” as well as many “life events” to celebrate 56 years after we left “Dear Old Dartmouth!”

Thanks to everyone, not only for making this now traditional 66th Night gathering a treasured event for our class, but also for keeping the Class of '66 Spirit alive and well! Check out the photos on pages 3 -5.

I hope to see everyone at our 55th Reunion in Boston!

Our 55th Reunion is May 23 - 26!

Best Reasons to Attend our 55th Reunion

1. Albie Macdonald and Alan Rottenberg have worked their hearts out pulling together an outstanding program and schedule of events which everyone is bound to enjoy! (See Schedule on Page 6).
2. Guys! It's Boston! The “Big City”! And every Dartmouth Pea Green has memories of a game, a date, a bar, a party, and the road trip back to Hanover at 5 o'clock in the morning! Re-awaken those foggy, fading, but forever fantastic memories with a trip to Boston!
3. It's springtime in New England. 'Nough said!
4. You missed our 50th reunion and have regretted it ever since.
5. You came to our 50th, had a great time, and you know you want to repeat it.
6. As they say in Nebraska, “Make hay while the sun shines!”
7. Don't tell me you're too busy! Come on, doing “What”! If you're too busy to attend our 55th, think how much busier you'll be for our 60th.
8. And don't tell me it's too expensive: IT'S FREE!
Just get your sorry ass to Boston on May 23rd!

All Attendees: Please send one paragraph and one photo from the reunion to the Newsletter Editors for the next issue. Thanks!

PRESIDENT'S LETTER

Our 55th Reunion scheduled for May 23-26 in Boston has broken our attendance goal of 100, making it our largest class gathering since our 50th Reunion in Hanover in 2016. If you haven't already signed up, do it now. Your only expenses will be getting to Boston, your hotel room at the Colonnade Hotel in Back Bay, and a few incidentals. The Registration

form is on page 7.

The Duck Boat tour of Boston (and the Charles River) has been changed from 9:30 am to 2 pm on Tuesday, May 24, and an optional tour of the Red Sox' famous Fenway Park has been added to the calendar at 9:30 am Tuesday morning. Thanks to Albie Macdonald and Alan Rottenberg for organizing this unique reunion.

66th Night was a tremendous success this year as you can see from the many photos in this newsletter. Participants this year spanned the globe with a large number of gatherings—both in-person and via Zoom. Once Covid is in the history books, it will be interesting to see how many Zoom meetings continue to displace the traditional in-person 66th Night gatherings. Tom Brady is solely responsible for rallying our class for its successful 66th Night this year. Thanks, Tom!

Budge Gere has joined Alan Rottenberg as Co-Chair of our class's leadership for the College's Bartlett Tower Society. Their goal for our 55th Reunion is to reach a total of 55 members of our class in the Bartlett Tower Society.

Best regards,
John Rollins

DARTMOUTH COLLEGE FUND

"99" contributors — that's the number we have to reach to meet our class DCF goal this fiscal year. "99" is "66" upside down!

I don't know if you guys practice yoga, but "66" to "99" is like the difference between "downward dog" and "upward-facing dog" positions. With the former you are upside down, have your head buried in your yoga mat, and your butt up in the air.

With upward-facing you can hold your head high and smile and encourage those around you.

Let's flip that "99" and focus on what "66" means for us as a class: friends, fun and the support we give to one another and those who follow in our footsteps. To date 27% of classmates have supported our Dartmouth College Fund drive.

Our hope is that you will choose to stand with classmates and flip that "99" so we can hold our heads high. It may be a bit of a stretch, but it's worth it and easy to do; just go to Dartgo.org and make your contribution.

So, Moosemates, if you need additional information, reach me at: robertmspence34nc@gmail.com. I promise to be upward-facing!

IN MEMORIAM

Richard J. Kornblum

Richard J. Kornblum of Cotuit, MA, formerly of Buckingham, PA, and Foxborough, MA, passed away on February 23, 2022, surrounded by his wife and children at Brigham & Women's Hospital, from complications after a lengthy cardiac surgery. He was the beloved husband of Margaret Ryder Kornblum; and loving father of Jacqueline Lefebvre (husband, Stephen) of Groton, CT, Robert Kornblum (wife, Susanna) of Sudbury, MA, Katherine Kornblum of New York, NY; and stepson Christopher Dell Isola (wife, Denise) of Chicago, IL.

He was a graduate of Lakeland High School and a Dartmouth College man: undergraduate degree, a year at the Tuck School, and a graduate degree from Thayer School of Engineering. He spent many years working as an executive engineer, managing the development of international state-of-the-art process control systems at The Foxboro Company, GTE Telenet, POMS (later Raytheon and Honeywell), and consulting with pharmaceutical and start up technology companies. After retirement, he enjoyed researching history and teaching courses about the life of FDR at Cape Cod Community College's Academy of Lifelong Learning, and spending time on his boat and at Sampson's Island in Cotuit Bay.
